DUNDURN RURAL WATER UTILITY

Volume 14 Issue 2

June 2023

A FOND FAREWELL...

- Saying goodbye is never easy...

I want to tell all of you, my Board, subscribers and co-workers, along with my Engineering firm, auditors, lawyer, banking personnel, contractors, and everyone else who I have had the privilege to work with...I am so thankful to have been part of an amazing organization. We have exceptional Board members, amazing staff and wonderful subscribers ! While I am so excited about my future and my retirement, I am sad to leave you all. I will miss everyone so very much; but I am so looking forward to spending more time with my family and especially with my beautiful granddaughters. To my incredible Board - Thanks for always being there for me and supporting me. I am so grateful for the experience I have gained with Dundurn Rural Water Utility and the opportunity to have worked with amazing Board members (present and past).

To my incredible staff - It is difficult to imagine my life away from this company. However, I am excited to venture out to learn new things. I take with me pleasant memories of knowing each of you. Starting a new chapter is always challenging, as it begins by ending one. I will miss working with each of you and I will miss seeing you each day but I look forward to seeing what you continue to accomplish. Thank you for all the help, the laughs, and the time we've shared. I will always look back at this chapter with fond memories. All my best to you. If there's anything I can do to assist please don't hesitate to reach out.

And to our awesome subscribers - Oh what a privilege it has been to be a part of this incredible Utility to ensure we are providing you safe water - We take pride in serving our Subscribers. I have enjoyed my time here - and you've played a big part in that. My time has come to turn a new page and say goodbye. I do so with a deep appreciation for each of you. As I depart, I am grateful that I do not have to be concerned about leaving my responsibilities. I know that everything will be fine because of the wonderful Board and staff managing this Utility.

To my engineering firm, auditors, lawyer, banking personnel, contractors, and everyone else - It was a great pleasure to work with you !

I want to wish Jason Bellina all the best as he takes over as Administrator of the Dundurn Rural Water Utility. I have complete confidence that Jason will 'carry the torch' and administer the Utility with ease (after all - he will have a great Board and super staff to help him !)

This is not goodbye, just farewell for now!

"Dance like there's nobody watching, Love like you'll never be hurt, Sing like there's nobody listening, And live like it's heaven on earth."

William W. Purkey

If any of you want to stop in, please come see me anytime during the last two weeks of August.

Take care - Ros

The DRWU office will be closed for Canada Day, Monday, July 3, 2023, Civic Holiday, Monday, August 7, 2023, and Labour Day, Monday, September 4, 2023.

MARKER POSTS

The Maintenance Staff will be coming to subscriber’s homes to install marking posts where the curbstops are located. The curbstops must be marked as it is important to be able to find it quickly in an emergency. This will either be a red wooden post or a metal post that reads Dundurn Rural Water Utility. If your post is missing, please call the office and our maintenance staff will come replace your post.

Welcome to Ryan Murphy, our new Summer Technician who will be working along side Brian. Ryan is catching on well and we are pleased to have him join our Utility.

AGM UPDATE

Dundurn Rural Water Utility held their 2022 Annual General Meeting on Wednesday, May 3rd at the Dundurn Community Hall. The Board and Staff wish to thank those who attended the meeting. The Board and Staff welcome Todd Grabowski who was elected at the May AGM. The Board and Staff also want to thank Lloyd Gratrix on a job well done over the past 6 years. The Annual Financial Statement (Auditor’s Report) for 2022 was approved at this Annual meeting and is available on our web-site.

With Ros retiring, Jason has accepted the role of Administrator for Dundurn Rural Water Utility. Jason brings a lot of knowledge and experience to this role and will assume this position with ease. Congratulations on this new opportunity!

The DRWU requires a minimum of **48 hours** notice to schedule service line inspections, meter installations, and final water connections. We also require notice to do final reads if you are selling or vacating a property.
